Tokyo Metropolitan Kokusai High School PTA
Tsuyoshi Niinomi, President for the 2021 School Year

Limited release of the video of the Sports Day 2021 on YouTube

Dear Parent(s)/Guardian(s)

With summer greetings, I hope this letter finds you well.

I would like to thank all the parents and guardians for your understanding and cooperation for our PTA activities.

On Friday, June 11, the first Sports Day was held for the two years.

It took place without any spectator, neither parents/guardians or alumni, as part of the Covid-19 prevention measure.

Because we were not able to watch the event in person, the PTA Executive Board have made a limited release video of the event for you.

< Contents of the video >

Group's banner ("Dan-maku") and the gate

Competition by grade and relay race by group ("Dan")

Group's ("Dan") performances

Regarding the information about the limited access to the YouTube video, please refer to the member's page on the PTA website.

*Note: This video is released with access limited to the PTA members, so please do not disclose the URL of the video. The period of release is by July 31.

The shooting was done with the cooperation of the Public Relations Committee, and the Executive Board edited it. The edited video was checked by the school and then distributed with the support of the IT Committee.

This video was shot from a distance so that individuals cannot be identified.

However, we hope that you will feel the brilliance of the students and their performance at the school ground.

Looking forward to your continued understanding and cooperation for our PTA activities.
